A Point Worth Considering

Packard

Shoes Are Made To Wear

Here is a shoe a man can put on and tramp miles without discomfort. It is the shoe for the man who buys footwear for all around use. It will look good on Sundays, it will look good on holidays, it will look good work days with the least care and attention.

TEN-ACRE Eucalyptus-Mahogany Plantation (now selling for \$2,000) will produce an average yearly income of \$2,500 permanently. Think of it—\$25,000 every ten years from such a small investment! This is an actual fact, verified by the U. S. Government and State of Cal. Forestry authorities.

'OU couldn't find a better or safer investment, especially for an absentee landlord, as these trees need no attention and sprout from the stumps immediately after cutting. Our Plantations will

be worth from \$2,500 to \$3,000 per acre in a few years. We will self the land, not stock [on easy payments if desired], cultivate and care for the trees until a turther attention is required, pay taxes and assessments for I years and give you a Guaranteed title. Ill also methet your timber it you wish for a small commission.
